

## 2018 NNZCC Membership Dues Amount

Set at 9/26/176 Board Meeting

Membership Dues: The Board of Directors analyzed the 2018 proposed budget and the amount of dues appropriate for the upcoming club year. The Board has set the annual dues for 2018 at \$25.00. The \$5 increase from last year is for paying Web hosting costs which have been free to the club in the past. For futures years it is anticipated that the dues will not increase. Dues are needed for insurance, website costs (new this year), contact cards, office supplies, Z Car Club Association Fees, and the annual incorporation fees. We work hard to find member discounts to offset your dues (see the discount providers on the member's page). Sponsor donations and gifts are used for member events and other fun things.

You can pay dues by mailing a check to NNZCC, 8495 Opal Station Dr, Reno NV 89506, by paying in cash to a club officer, or by paying with Paypal or credit card at <http://www.nnzcc.com/pay-annual-dues/> (there is a \$1.06 surcharge added for online payments to offset the fees).
