

## 2017 NNZCC Membership Dues Amount

Set at 9/25/16 Board Meeting

Membership Dues: The Board discussed the amount of dues appropriate for the following club year. Since Dave originally bought 2 years of web services when he set up the new web site, that bill will not come due until 2018. What is need for the upcoming year is the \$10.24, per individual for ZCCA membership, funds for contact cards, office supplies, bank fees, and Incorporation Fees to the Nevada Secretary of State. The fees appear to be \$50 for incorporation and then \$50 the first year, and each year following, for the Board of Directors filing.

The Board has set the 2017 annual Membership dues at \$20.

(Webpage fees are prepaid for 2017, so 2018 dues will need to increase to cover them)
